My initial's certifies this endoscope/instrument has been high level disinfected or sterilized.

****All Endoscopes/Instruments received by Absolute Images & Instrument Spec. (AIIIS), must be high level disinfected or sterilized. By initialing the box, you are certifying this requirement. If the box is not initialed, delay in processing the scope/instrument may result.**

Please place this form with the endoscope/instrument.
Flexible scopes should be shipped in their carrying case and rigid scopes should be shipped in a scope box with adequate protection and placed within another box.
Once the scope/instrument is received by AIIIS and disinfection/sterilization has been confirmed, an estimate will be e-mailed within 24 hours. Thank you for the opportunity to serve you.
